Nancy, I used the timeline that your special assistant pulled together for the following response to CNBC. This should all be accurate, but just want to make sure you have it. This doesn't include the USDA letter b/c Jahan is sending that to a separate outlet.

We are writing up a story for Thursday about the EPA rejecting earlier recommendation to ban chlorpyrifos on crops.

First, we wanted to get a response from the agency since some critics of the move say it lacks science based on evidence the insecticide is harmful to children and others. Second, some have suggested the move to stop a ban is done for political reasons given Dow Chemical's contributions to the Trump candidacy and inauguration.

Thank you.
